

We will have (7) forklifts operated by volunteer drivers to help in unloading. These fork lifts are for a maximum 7,000 lbs.

The big machines have to be moved in by one of the following :

Hall Industrial (316-945-4255)

Belger Cartage Services (316-943-0101)

Atlas Industrial Machine Moving (316-644-8928)

We will also have volunteer dock hands to keep the unloading and loading process moving.

A number of push carts are available for your use just bring them back to the dock or big door when no longer needed.
