

THE TOOLS AND TECHNOLOGY TO
COMPETE IN A GLOBAL MARKET

**Century II Convention Center
Expo Hall
Wichita, Ks.**

20th Biennial Show

Free Seminars every day check the website

The Wichita Industrial Trade Show was established in 1974 and continues to grow in size and status. With over 200 exhibitors and 400 booths of Manufacturing Equipment, Services and New Technology. Many of the booths will have demonstrations including Milling, Turning, Forming, Welding, Automation, Tooling and Material Handling with the factory technical representatives to answer your questions.

A group of volunteers puts on the WITS Show which allows the Admission to be free (no one under 16 admitted) as an opportunity to see the latest manufacturing technology here in Wichita.

Show Hours: WITS 2011
Tues., Oct 18th 1:00 pm till 7:00 pm.
Wed., Oct 19th 10:00 am till 7:00 pm.
Thurs. Oct 20th 10:00 am till 4:00 pm.
