Established in 1974, the Wichita Industrial Trade Show (WITS) has become a significant marketplace in the heartland of Mid-America for buyers, manufacturing sources, industrial material, machinery and equipment. The show offers a dual opportunity for exhibitors from all sectors of our industrial community to present their products and services and for professionals of all levels to view the exhibits.

The Wichita Industrial Trade Show, Inc. is sponsored by the Institute for Supply Management-Wichita and the Society for Advancement of Manufacturing as a non-profit fund raiser to support their associations and community projects. Specifically, monies from the show are used for scholarships at area colleges and universities and for various educational seminars, materials and activities.

Show management is provided solely by volunteers and employees of various companies in the community, who know how important it is to have an opportunity to keep abreast of the latest advancements in automation technologies which allow manufacturing competition throughout the world. The WITS management and exhibitors are committed to the common goal of making our community a better place to live, work and enjoy.

WITS 2019 PLANNING COMMITTEE

OFFICERS

Don Lenhart	Co-Chairman/SAM
Gene Sharp	Co-Chairman/ISM-W
Debbie Jarrell, Textron	Corporate Treasurer
Sonya Kellogg, Harper Trucks	Corporate Secretary

BOOTH SALES - Dianna Wolf

MOVE IN/MOVE OUT - Jeremy Wolf, Max Aerospace

ELECTRICAL - Bob Cropp

CONCESSIONS - Brad Unruh, Textron

REGISTRATION VOLUNTEERS

Jeremiah Heredia, Excel Ind.

REGISTRATION & LEAD RETRIEVAL - Reed Bennett

SECURITY/TRANSPORTATION

John Rice, Spirit Aerosystems

SEMINARS/HOTELS - Terry Klein, Nelson Specialties

LAYOUT - Gerald Springob

ADVERTISING - Carl Warne, GKN Aerospace

SIGNAGE - Peggy Bennett

EXHIBITOR SERVICES BOOTH - Sharon Cropp

SEMINAR SCHEDULE

Tuesday, October 22nd

1:30 PM -- U S Bank **Room 101A**
Current Global Economic Trends

Hall's Culligan Water **Room 101B**
How water quality impacts performance

3:00 PM – QTE **Room 101A**
Master Cam

RelaDyne Reliability Services **Room 101B**
Trends regarding “system varnish”

4:30 PM – WIDIA Products Group **Room 101A**
Understanding HSM

Veritiv Corp **Room 101B**
Lean principles

Wednesday, October 23rd

10:30 AM – QTE **Room 101A**
Mastercam

Hall's Culligan Water **Room 101B**
How water quality affects performance

12:00 PM – RelaDyne Reliability Services Room 101A
Preventing problems with metalworking fluids

WIDIA Products Group Room 101B
Understanding HSM

1:30 PM – U S Bank Room 101A
Current Global Economic Trends

Aries Alliance / Cyril Bath Room 101B

3:00 PM – Veritiv Corp Room 101A
Lean principles

Cybertron Room 101B
Cybersecurity

Thursday, October 24th

10:30AM – Kansas Oklahoma Machine Tool Room 101A
Fagor Controls – Their Unique Features

CATI Room 101B
What's new in the world of manufacturing

12:00PM – Kansas Oklahoma Machine Tool Room 101A
Fagor 5-axis systems and axis tuning
