

2023 WITS Show Seminars Schedule		TUESDAY OCT 17		rev 8-9-23
2:30 PM TUES		Room 101A	Room 101B	Room 102A
	Company	QTE MFG Solutions	Acieta	VIAANIX - Jatin "Jay" Taleja
	Presenter	Josh Ryan	Greg Moorhouse	"Industry 4.0, the Internet of Things, and Optimizing Efficiencies in Advanced Manufacturing through Connected Data"
	Topic	Tool Data Management	Robots: Your Key to Employee Retention	
4:00 PM TUES	Company	Creiform 3D	HTE Tech	T3, Wichita State University
	Presenter	Bret McElroy	Dave Pekar, Universal Robots Certified Trainer	Fennie Christensen
	Topic	3D scanning hardware & software for reverse eng. and Quality Control	The How-To Seminar on using a Collaborative Robot	Website Development – Make Your Website Work for You
5:30 PM TUES	Company	CG TECH Vericut	CCG Manufacturers Capital	Digitize Designs
	Presenter	Gregg Francis	Tim D' Anza & John Brock	Kyle Burdine
	Topic	Amplify Machine Simulations with Real-Time CNC Machine Connectivity	Financing to Support & Enable Growth in a Manufacturing Business	State-of-the-Art Metrology & 3D scanning
WEDNESDAY OCT 18				
11:30 AM WED		Room 101A	Room 101B	Room 102A
	Company	CG TECH Vericut	CCG Manufacturers Capital	Acieta
	Presenter	Gregg Francis	Tim D' Anza & John Brock	Mark Cianciosa
	Topic	Amplify Machine Simulations with Real-Time CNC Machine Connectivity	Financing to Support & Enable Growth in a Manufacturing Business	Robots prepare manufacturers for an unpredictable future
1:00 PM WED	Company	Creiform 3D	HTE Tech	Wilder Systems Inc.
	Presenter	Bret McElroy	Dave Pekar	Shane Koppold
	Topic	3D scanning hardware & software for reverse eng. and quality control.	The How-To Seminar on using a Collaborative Robot	Robotic Drilling Solutions
2:30 PM WED	Company	QTE MFG Solutions	Acieta	T3, Wichita State University
	Presenter	Ruan Merall	Nick Cowell	Amy Jones
	Topic	CIMCO Probing	Optimizing Your Welding Automation	Robotic Process Automation (RPA), SMS tool, Task Distribution Tool and more!
4:00 PM WED	Company	Digitize Designs	Acieta	VIAANIX - Jatin "Jay" Taleja
	Presenter	Kyle Burdine	Jake Corning	"The Industrial Internet of Things and Advanced Mfg Strategies: Beyond the SMART Factory to Making Your Products "SMART"
	Topic	3D Scanning to CAD for Design and Repair	Is now the time to get a Cobot	
THURSDAY OCT 19				
11:30 AM THUR		Room 101A	Room 101B	Room 102A
	Company	K-State Pollution Prevention Inst	Acieta	Wilder Systems
	Presenter	Cris Brazil, PhD	Nick Cowell	Shane Koppold
	Topic	Pollution Prevention in Ks: Successful Industry Projects with Metal Fabricators	Adapt Your Manufacturing Process: Do more with less	Augmented Intelligence - Robotic Visual Inspection
1:00 PM THUR	Company	Wolfram Mfg	Acieta	PHY-CY.X Security Group, LLC
	Presenter	Nathan Byman	JAKE CORNING	Clint Stevens
	Topic	I thought these robots were supposed to make everything easier?	The hidden factors in calculating a robot's ROI	Cyber Security and the Supply Chain
